### **REGISTERING LATE**

All full time students who will be studying on campus in a succeeding term will be expected to register for that term within the registration period. Those who do not will be contacted shortly after registration to clarify their intent to attend during the following term. Failure to register by the end of the first two weeks of the term will be regarded as withdrawal from the College. Students returning from off-campus status who have not registered may register during the first two weeks of the term or with the permission of the Academic Standing Committee thereafter.

### **SOPHOMORE PRIORITY**

"Sophomore priority" noted in the schedule means students are allowed to register for the course in the following order: sophomores, first year students, seniors, juniors. A senior or junior wanting to register for such a course must waitlist in the "WL" section and may register for the course during spring term if space is available, however waitlisted sophomores and first year students will have waitlist priority. If you are a junior or senior and need a particular "sophomore priority" course for graduation, PLEASE TALK WITH YOUR ADVISOR NOW.

### **THE WRITING REQUIREMENT**

Classes of 2012 and 2013 must take a writing rich course (WR). You can search for a writing rich course by using the "Enroll" program and search for WR.

### **INDEPENDENT STUDY/CREDIT INTERNSHIP**

Independent study and credit internship registration is a paper process. You will not be able to register for independent study or credit internships via the web. You must submit your completed independent study forms to the Registrar's Office during normal business hours. 290/390, 291/391, 292/392 for all subjects, as well as BIOL 394, CHEM 394 and PHYS/ASTR 356, are considered independent study and require a paper registration process. Forms for BIOL 394, CHEM 394 and PHYS/ASTR 356 are available in the respective academic departmental offices; other independent study forms are available from the Registrar's Office.
