INSTRUCTIONS FOR REGISTRATION

Web registration for on-campus academic courses, Physical Education activity classes, and Carleton Off-Campus programs takes place February 25 through March 29. See "Registration Changes" below for additional registration opportunities. You must discuss your registration with your advisor prior to registering. See the Registration Instructions document at <http://www.carleton.edu/campus/registrar/adminweb/streghelp.html> for more detailed information. A & I seminars (courses numbered 100) are held exclusively for the class of 2016.

REGISTERING LATE

All full time students who will be studying on campus in a succeeding term will be expected to register for that term within the registration period. Those who do not will be contacted shortly after registration to clarify their intent to attend during the following term. Failure to register by the end of the first two weeks of the term will be regarded as withdrawal from the College. Students returning from off-campus status who have not registered may register during the first two weeks of the term or with the permission of the Academic Standing Committee thereafter.

REGISTRATION CHANGES

After you have registered, you may access your class schedules on the HUB. IT IS YOUR RESPONSIBILITY TO CAREFULLY CHECK YOUR SCHEDULE AND MAKE ANY NECESSARY CORRECTIONS. Changes can be made via the HUB from February 25 through 4:00 p.m. March 29. Any changes necessary after this time must be made via a paper process during the add/drop period. Drop/add cards will be available in the Registrar's Office on the first day of classes.

SOPHOMORE PRIORITY

"Sophomore priority" noted in the schedule means students are allowed to register for the course in the following order: sophomores, first year students, seniors, juniors. A senior or junior wanting to register for such a course must waitlist in the "WL" section and may register for the course during spring term if space is available, however waitlisted sophomores and first year students will have waitlist priority. If you are a junior or senior and need a particular "sophomore priority" course for graduation, PLEASE TALK WITH YOUR ADVISOR NOW.

INDEPENDENT STUDY

Independent study registration is a paper process. You will not be able to register for independent study via the web. You must submit your completed independent study forms to the Registrar's Office during normal business hours. 290/390, 291/391, 292/392 for all subjects, as well as BIOL 394, CHEM 394 and PHYS/ASTR 356, are considered independent study and require a paper registration process. Forms for BIOL 394, CHEM 394 and PHYS/ASTR 356 are available in the respective academic departmental offices; other independent study forms are available on the HUB or from the Registrar's Office.
