

Carleton

Your Launchpad to Anywhere.

A Carleton education will prepare you to be an astrophysicist photographing black holes.
A Pulitzer Prize-winning writer at *The Washington Post*. A MacArthur Genius Grant recipient for evolutionary genetics.
More importantly, our liberal arts education and caring community will support who you are—and who you will become.
An empathetic leader, a question-asker, a collaborator. We can't wait to meet you!

“I've been able to find different groups that have made Carleton seem like home. There are many support systems and resources available, as well as access to faculty mentors and the supportive nature of peers.

— Mehdi Shahid, '22,
Physics major
(UWC East Africa,
Tanzania)

NORTHFIELD, MINNESOTA: Surrounded by woods, prairies, and rivers, and only 45 minutes from Minneapolis and St. Paul, the metro hub of the upper Midwest. Home to two liberal arts colleges, giving our rural community a progressive bent—and also several coffee shops to study from.

- Deadline: **March 31**
- Decision by: **May 15**
- Students Enroll by: **June 1**
- Classes Start: **Early September**

Transfer Applicant Quick Details

Transfer applicants are students who have attempted any college coursework after graduating high school.

If admitted, you'll receive your credit evaluation along with your acceptance letter.

Transfer students begin at Carleton in the fall term.

No application fee, test optional.

If eligible for financial aid, you'll receive your aid award along with your acceptance letter.

Special consideration is given to veterans and community college applicants.

HOUSING

96% of students live on campus. We guarantee housing for all students, and we'll consider accommodations for students who wish to live off-campus.

2021-2022 COSTS

Tuition:	\$ 59,850
Activity Fee:	\$375
Room:	\$8,115
Meal Plan:	\$7,260
Total:	\$75,600

100% of demonstrated need met

Average need-based aid award for the Class of 2025:
\$57,000

TRANSFER CREDITS

In general, we'll award credits for coursework from regionally accredited colleges and universities, with grades of C- or higher.

Transfer students can bring in a maximum of 102 credits (equivalent to 18 Carleton courses). Transfer students most complete at least two years at Carleton.
