

How other Colleges process Carleton's Dependent Tuition Benefit:

- Some colleges will lower institutional funds dollar-for-dollar.
- Some colleges will split the benefit to recoup some college funds but also lower parent contribution.
- Colleges that don't award institutional grants or merit scholarships may not do anything. Treat it as an outside aid.
- Some colleges will change the loan type from subsidized to unsubsidized.
- Carleton HR calculates the benefit, we cannot accept calculations of our benefit from other colleges.
- HR is the best place to go to for more specific questions.
- Bottom line: you need to contact the college your child is interested in attending to determine how the Dependent Tuition Benefit will be handled.
