## 25th REUNION

### Happy New Year!

2017 promises plenty of surprises and uncertainties, but we know one thing for sure: THIS is the 25th anniversary of our graduation from Carleton! And we are ready to celebrate with our Reunion this **June 15-18, 2017**.

Part of our theme this year is to “return, reflect, and reconnect.” Our planning committee is working hard on fun events with many opportunities to reflect and reconnect with classmates. We are also assembling individual profiles submitted by classmates in a printed [Reunion "Bio Book"](#). (More on that below!)

But our top priority is ensuring that **everyone** from the Class of 1992 feels warmly welcomed to attend Reunion — truly everyone — whether your years at Carleton were joyful, painful, awkward, funny, enlightening, or all of the above and more. It won't be the same unless **YOU** are there in Northfield to join in the celebration.

So, what can you do to start reconnecting? We're really glad you asked!

First and foremost, whip out your favorite electronic device and write your profile for the [Bio Book](#) through this easy [online form](#) (there is a link for 'password help' if you need it). It should take just a few minutes. Trust us, summing up 25 years in a few lines is a snap! (OK, well maybe not quite.) For inspiration, you can browse through some of the profiles already posted. Spoiler alert: so far it's totally eclectic, just as you'd expect from Carleton students.

The deadline to submit your [Bio Book](#) profile is **JANUARY 31!** That's coming right up! So PLEASE take a moment to do it very soon. And if, sadly, you know you can't attend reunion, that's all the MORE reason to fill out a profile so we can see what you're up to and toast you in your absence. The [Bio Book](#) will be printed, bound, and sent out this spring. Then we can all leaf through the pages, remember half-forgotten floormates, and marvel at how many diverse and unexpected things our classmates have been up to.

While you're at the web site, you can also see who has already said they are [attending Reunion](#), (over 120 people at last count) and add your name to the list. It includes a map with pins that shows people are already headed to Reunion from all over the country, and as far away as Hungary and the Philippines.

So, add your stories to the [Bio Book](#), add your pin to the [map](#), and add Reunion 2017 to your calendar. Can't wait to see you!
